Dr. Michael Harvey Selected as next Superintendent

The Masconomet School Committee is pleased to announce that it voted unanimously on February 7, 2019 to select and enter contract negotiations with Dr. Michael Harvey, Ed. D, as the next Superintendent of Schools for the Masconomet Regional School District.

Dr. Harvey has worked in education for over twenty years, currently as the Superintendent of the Hamilton-Wenham Regional School District (HWRSD) since July of 2012, and prior to that in the roles of Belmont High School Principal, K-12 Curriculum Director for Social Studies in Belmont, Triton Regional High School Assistant Principal, and Ipswich High School English and Social Studies Teacher. He holds a Doctorate in School Leadership from the University of Massachusetts at Lowell, a Master's Degree in History from Northeastern University and a Bachelor's Degree in English and History from Amherst College.

The school committee feels confident that Dr. Harvey is prepared to carry our district into the coming decade. Dr. Harvey's educational philosophy is well aligned with Masconomet, in that he prioritizes academic excellence, educating the whole learner in all students, commitment to an improved society, and a school culture that supports these priorities in many ways, such as inclusion, social emotional learning, and real-world connections. Most importantly, he is excited about Masco's Vision 2025, and brings with him the skills needed to build and execute a strategic plan to get us there and beyond.

Dr. Harvey will replace Dr. Kevin Lyons, Ed. D, who will retire on June 30, 2019, after having served as Masco's superintendent since July 1, 2014.
