

COURSE SYLLABUS

Course: Business Law

Course #: 5621
Half Year (Semester I and II)

Instructor: Mr. Verry

Grade 11/12
2.50 Credits

Description:

Business Law is a course that introduces basic business and personal law to the student. In this course, you will gain an understanding of legal principles that you will use throughout the rest of your life, either personally or in the business world. Real-life situations and case studies will be utilized to emphasize how these principles are applied. It is hoped that the student will develop a legal thought process in analyzing the facts from the case studies and real lawsuits that are presented in order to make an impartial decision. Given time considerations, topics that will be covered include:

- The Basis of Our Legal System
- The Court System
- Criminal Law
- Civil Law
- Contract Law
- Marriage and Divorce
- Consumer Law

Textbook:

Law for Business and Personal Use; Southwestern Publishing, 15th edition.

Grading:

Your Final Course Grade will be determined as follows:

- 40 % Daily Class Activities/Quiz
- 60 % Chapter Tests or Project Grades

As research has found that there is a direct correlation between attendance and academic performance, lack of consistent attendance will negatively affect your final course grade.
