General Rules

- Parking at Masconomet is limited and is a privilege, restricted to seniors who are good standing who have received a parking permit. Limited junior parking may be allowed based on availability and administration discretion. Juniors and their caregiver will be notified prior to any junior parking being released.
- Parking permits are \$150.00 for the full school year. Students who receive a permit for a lesser period of time will be assessed a fee of \$15.00 per month.
- Students are required to park in assigned student parking during school hours.
- Permits may be permanently or temporarily revoked for repeated parking violations and/or any policy listed in the

student handbook, to include excessive tardiness and absenteeism.

- Parking violation appeals may be made within 3 school days of a parking violation “ticket” issuance. Appeals must be made by the student, in person. Appeals are made to the Director of Safety and Security, then dependent on the outcome, to the Assistant Principal whose decision is final.
- If a student’s parking privileges have been temporarily revoked, only days in which the student is in attendance will count toward the suspension period.
- The Masconomet Regional School District reserves the right to have a vehicle towed from the property due to excessive violations. Prior to towing a vehicle, the parent/guardian of a student will be contacted and warned that continued violations will result in towing.
- Vehicles parked on Masconomet property are subject to search. If a vehicle search results in weapons, alcohol, drugs, tobacco/vaping products or other contraband prohibited on school grounds the student’s parking permit will be revoked for the remainder of the year without a refund.
- Lost/Stolen permits must be reported to the Director of Safety and Security immediately. Replacement permits are \$10.00.
- If your driver’s license is suspended or revoked for any reason, your permit will be revoked. You will receive your permit after you have shown proof of reinstatement.

In addition to the above General Rules, I agree to the following:

- I will follow all applicable laws regarding the operation of a motor vehicle.
- I will NOT sell, lend, copy, or rent, etc. my permit to any other student or allow another student to drive my registered vehicle.

- I will NOT alter or tamper with my permit.
- I will NOT speed or drive in any sort of reckless manner.
- I will park my vehicle in the lot and/or space designated by my permit.
- I will NOT move or drive around any barricade, gate or coned-off area.
- I will take responsibility for my permit.
**If your permit is lost or stolen, you must report it to the Security Office, a replacement is \$10.00.*
- I will turn over my permit to any administrator/security monitor when asked without arguing and will not park on campus until my permit is returned.
**You will be called to the office to discuss your violation as soon as practical.*
- I will NOT be tardy 5 or more times. If I am late 5 or more times in a term, my parking privileges will be taken away for at least one week. If I am late 5 or more times a parent/guardian meeting will be required with the Assistant Principal. My continued absenteeism or tardiness may result in revocation of my parking permit for the remainder of the term.
- I will hang my permit on the rearview mirror and will leave it hanging during the school day.
- I will follow the directions of any staff members, police officers or other personnel who may be assisting in traffic control.
- I will merge into a single line of traffic and will yield to vehicles exiting a parking space to exit in a safe manner.
- I will not return to my vehicle for any reason without obtaining a “car pass” from the main office.
- I will not leave campus without a proper dismissal. Doing so will result in suspension/revocation of my parking permit.
- I will NOT take unauthorized students off campus at any time. Failure to follow this rule will result in a loss of parking suspension/revocation of my parking permit.

- I will NOT loiter in the parking lots. I will park my vehicle and enter school immediately upon arrival to campus.
- I will NOT “cut class”, doing so will result in suspension/revocation of my parking permit.

I fully understand that parking on school property is a privilege, and that if I do not adhere to these regulations I may lose the privilege without a refund.
