NLI and College Athletic Recognition

We are excited to celebrate our student-athletes who participate in our Masconomet Athletic Program and will continue their athletic careers beyond high school. In accordance with the NCAA college recruitment process and the guidelines and dates outlined by the organization of the [National Letter of Intent](#), we will celebrate these accomplishments as follows:

- Any student-athlete who attends a DI or DII National Letter of Intent (NLI) member school will sign their NLI on the dates outlined [here](#).
- The school will do its best to hold the approved NLI signings on November 10th or a date that is mutually agreed upon by the student-athlete, coach, and Athletic Director and falls within the NLI signing window.
- Non-NLI signing student-athletes will be recognized during a ceremony held in Mid-December.
- As we understand that some college decisions are fluid, a second ceremony will be held in early May for any student-athlete who is making their way through the regular decision college process.

We ask that students and parents reach out to the respective Masconomet Regional High School coach to ensure that the Athletic Director has current information regarding participation in athletics beyond high school.

If you have any questions, feel free to call (978-887-2323 X31000) or email our [Athletic Director](#).
