

# **SCHOOL COUNCIL POSITION**

## **Representatives Needed!**

### **Masconomet Middle School has three available School Council Positions for the 2020/2021 School Year**

School Council is an advisory committee composed of parents, faculty, and school administrators. The Council meets with the MS principal on the first Thursday of the month at 3:00 pm from October through June to discuss significant educational issues and decisions affecting the middle school. The term is 2 years.

Marshall Hook is a current representative. We need three additional representatives for the Council this year.

If you are interested in serving on the School Council please send your name, address and a **one paragraph statement of background and interest** to:

Suzanne Olia, MS Administrative Assistant to the Principal  
at [solia@masconomet.org](mailto:solia@masconomet.org) Please also contact her or  
Principal Philip McManus with any questions.

All information is due by Friday, September 11, 2020.

Under normal circumstances we would hold an election during our Fall Open House. However, the vote will be conducted electronically this year.
