

TTC is celebrating 50! Five decades and still growing strong, meeting youth where they are. As your teen transitions to 7th or 8th grade, Tri-Town Council is here for YOU and for THEM.

For parents/caregivers, relevant info and resources to navigate the teen years. For youth, programs which foster engagement and leadership helping them gain confidence in these often tumultuous years.

Be sure to watch for programs specifically created with your middle-schooler in mind!

TTC is a small agency making a big difference in our tri-town community. We are an independent, non-profit organization working in collaboration

with our schools, town administrations, public health directors, mental health professionals, law enforcement and others.

If you haven't already, **sign up TODAY** (www.tritowncouncil.org) to receive our e-news. You'll be the first to know about programs, activities and services for youth (K-12), parents and families.

Please consider your gift to TTC an investment in our youth, our communities and our future.

Thank you for your consideration of support.

We hope to see you and your middle-schooler at one or more of our programs in the coming school year.
