

CLASS OF 2023

DECEMBER NEWS

ADVISOR UPDATE

Happy December, Class of 2023! Hard to believe 2019 is almost over! This will be a quick three weeks before a well-deserved December break! You will be starting the 12 DAYS OF GIVING this week, along with your Peer Leaders. Let's show everyone what the Class of 2023 can do and bring in as many new, unwrapped toys as possible! The donations all go to local families in need. Let's see what happens when we all work together for a common goal. In other news, Frosh/Soph semi-formal dance tickets will be on sale the week before vacation! The dance is organized by the sophomore class officers and will be held January 31st at the Doubletree Hotel in Danvers. Get your tickets and get ready for this fun event! You will have an assembly this month to explain the details of the dance. Good luck with the three week sprint to vacation. I hope you all have a great vacation and get to spend lots of time with family and friends. :)

PRESIDENT'S PAGE

Happy December! It's Matthew Theriault again, your class president. I hope all of you had a great November and ate lots of turkey over Thanksgiving. That mini vacation over Thanksgiving must have been nice too. But look at December. There are so many fun things that are about to happen. In about 3 weeks you'll be having another much longer winter vacation! Other things to look forward to would be the talent show, a fun movie night that the class officers have put together, and soon after winter vacation the Semi formal! Get ready for an awesome December!!!

FRESHMAN FEATURE- BY: STELLA

This is Molly Wogan! She is from Middleton. Molly goes down to Georgia with a foundation that she started, called "Paws Project Foundation". The foundation has gone to Georgia five times and they have rescued 450 dogs from kill shelters. They bring the dogs back to Massachusetts so they can be adopted. The Paws Project has raised approximately \$170,000 so far. Molly's favorite part about going to Georgia is being able to rescue dogs who wouldn't have lived otherwise.

Meet Tristen Dillon, twin with Colin Dillon! Tristen is one of the youngest in the grade. He loves being active and plays hockey and lacrosse. Tristen loves playing AirSoft with Logan Keune, Kosta Koutoulas, Charles Dolan, and his brother, Colin. Tristen wants to attend the Naval Academy after high school and would love to play lacrosse there. He has three cousins who attend military colleges, which is why he is passionate about doing the same.

TEACHER FEATURE: MEET MR. MULLER!

BY: MATT

Mr. Muller is a freshman history teacher and is also this month's Teacher Feature!

Personally, Mr Muller is one of my favorite teachers. He's fun and chill and he knows what he's talking about. He's been teaching at Masco for 23 years and is still going strong! He loves to teach at Masco because of the kind community that we have created here. He loves the communication between teachers and students and the willingness of the students to reach out to their teachers for help.

Mr. Muller is more than just a teacher. He also coaches the Masconomet JV soccer team. He is really passionate about soccer and even plays soccer himself 2 to 3 times a week.
