January 5, 2023

Dear Families,

We are excited to invite you to the Inaugural Masconomet Regional High School Grade 8 Open House next Thursday evening, January 12th for prospective students. The goal of the evening is to share the current opportunities available to Masconomet students as they make their way through their high school career.

The evening is intended for both parents and students and will kick off at 6:30 PM in the Auditorium with an overview of the academic and operational aspects of the high school followed by brief remarks from current Masconomet students. Following the more formal aspect of the evening, you will make your way to the high school cafeteria. For the next hour, you will have the opportunity to choose your experience. You can browse some of the clubs, activities, and athletics represented at our activities fair. Further, a number of faculty members will be presenting 15-20 minute workshops highlighting their class, curriculum, or program. Since this evening is about you, please feel free to create an evening designed to meet your needs and you are welcome to attend any part of the evening. Here is a copy of the [program](#) and a final draft will be provided next week.

In order to have enough support for the evening, I would appreciate it if you can take the time to fill out this [RSVP](#). Please note, there is no formal registration for the evening, this will allow us to sense overall interest to ensure we have enough students and faculty available to support the event. Feel free to pass this invite along to anyone who might be interested as well.

If you have questions about the event, feel free to send me an [email](#).

I, along with my colleagues, look forward to welcoming you to the high school next week.

Sincerely,

A handwritten signature in cursive script that reads "Mary Jo Carabatsos".

Mary Jo Carabatsos Ph.D.
