Principal

Dear Parents, Guardians, and Students,

I hope your summer is bringing equal parts excitement and rest. I am writing this letter to provide all of you with key dates; documents; and other important information necessary to open the 2018/2019 school year. We are excited to welcome the Class of 2022 to the high school, as well as our returning sophomores, juniors and seniors.

In an effort to conserve paper, be fiscally responsible and streamline information, we are purposely limiting the amount of documents that we're sending through postal mail. On various links below and via our [high school website](#) you can access all of the important documentation.

Throughout the course of the year we will post all relevant information on either the Masco webpage or in our PowerSchool portal: masco.powerschool.com, as well as via email. Please be sure to update any changes to your email addresses on the emergency card that we'll pass out to students on the first day of classes, September 4th. If your email address changes during the school year, please notify our Registrar, Vicki Aguilar vaguilar@masconomet.org in the Guidance Office.

Please read the information below and click on the links provided being sure to sign off/opt out where prompted.
