**VOTE:** Motion passed.

E. **FY17 Budget Adoption** - A motion was made by T. Buono.

**MOTION:** To adopt the FY17 Masconomet General Fund Operating & Maintenance Budget of $31,644,390 and Debt Service of $2,373,225 for a total FY17 General Fund Budget of $34,017,615 and direct the CFO to certify assessments to the member towns in accordance with the appropriate provisions of the Education Reform Act and the Masconomet Regional Agreement.

**VOTE:** Motion did not pass.

**OPPOSED:** K. Prentakis, B. Messenger, M. Cocciardi, K. Sherwood

Comments were made by the members who opposed the motion - K. Prentakis stated his reason for a no vote was due to declining enrollment and increased staff and he would like the Administration to cut positions or $200,000 from the budget. B. Messenger agreed, but indicated that the telephone system was a real need and the teacher to student ratio shows reductions can be made. M. Cocciardi agreed with both but felt that the telephone system could wait until the capital needs review. K. Sherwood shared her concern with the student to teacher ratios, discussed the Masco rate of 13.5 last year and now being 12.6 in the projections, and reviewed Level 1 and Level 2 schools, indicating that the ratio at Level 1 schools was 13.4:1. She stated that if she did the math correctly, using the state average of 13.3:1, with 1823 students, cutting 6.9 teachers would get the District back to the state average. K. Sherwood further stated that she did not know where this information will take us but that it should be considered.
T. Buono stated that looking at Hamilton Wenham, she saw less curriculum and opportunities available there than at Masco. L. Hodgdon and D. Flaherty stated that the present numbers assisted our students to live up to their potential and asked that potential cuts be made carefully.

Discussion was held as follows: looking at the numbers, conducting an analysis, the purpose of having the Budget Subcommittee, working on a plan before next year’s budget to address issues discussed, where K. Prentakis came up with the figure of $200,000 for the cuts, charging more fees rather than making cuts, that the purpose of tonight’s meeting was to pass the budget and the opposition to the budget undermined all of the subcommittee’s work as these issues should have been presented earlier, priorities were set last fall with no discussion of reducing staff until tonight, there appears to be a disconnect on the Committee and that a flawed numerical analysis would lead to the ruin of the District, that the budget process was a good one this year with openness with the finance committees and the value of the thumbnail CFO S. Givens shared. K. Prentakis indicated he would reconsider his vote if a commitment was made to a staffing vision in light of the declining enrollment and asked if anyone else was willing to reconsider. M. Cocciardi stated that he couldn’t make a leap of faith about an outline to be presented in the future.

D. Volchok said he would have a discussion with K. Lyons and J. Spencer to develop an enrollment analysis plan. A motion was made by P. Fitzsimmons.

**MOTION:** To recess for 15 minutes.

**VOTE:** Motion passed.

Meeting reconvened at 9:10 p.m. by Vice-Chair D. Volchok. D. Volchok stated that there will be a plan to consider reductions for FY18 by December 2016. A motion was made by P. Fitzsimmons.

**MOTION:** To direct the Administration to prepare a report on FTEs and enrollments and to report to the School Committee by December 15, 2016.

**VOTE:** Motion passed unanimously.

A motion was made by K. Prentakis.

**MOTION:** To reconsider the motion to adopt the FY17 Masconomet General Fund Operating & Maintenance Budget of $31,644,390 and Debt Service of $2,373,225 for a total FY17 General Fund Budget of $34,017,615 and direct the CFO to certify assessments to the member towns in accordance with the appropriate provisions of the Education Reform Act and the Masconomet Regional Agreement.

**VOTE:** Motion passed.

**OPPOSED:** M. Cocciardi
